MONTHLY

LEADING WOMEN ENTREPRENEURS & Business Owners

CONGRATULATIONS FINALISTS

In an effort to help empower women entrepreneurs, gain access to networks and media exposure, **Own It Ventures** partnered with *New Jersey Monthly Magazine* to create the first **Leading Women Entrepreneurs and Business Owners** Issue. This issue pays tribute to female entrepreneurs for their service, leadership, commitment and contribution to the vitality of their communities and the state. It is the hope of all involved that the tribute and subsequent recognition evening provide inspiration and information for women all across the state and encourage them to achieve their entrepreneurial dreams.

The finalists on the list specifically excel in four categories: Innovation, Market Potential, Community Involvement and Advocacy for Women. The women chosen are leaders among the women in business in our state. Intelligent, creative, ambitious and socially conscious, these women are part of the wave of entrepreneurs rising in NJ and across the country.

OWN IT VENTURES

Linda Wellbrock and Melissa Gasnick-Cloeter founded **Own It Ventures** to break these barriers after noting the response and success many women expressed while

attending their events. They created a virtual community for women entrepreneurs which provides information, access to investors, retail buyers, media and even a marketplace where members can sell their products.

OUR VISION

We believe that women entrepreneurs have untapped, immeasurable potential and it is our vision that **Own It Ventures** can be the conduit for more success in the business world for all women. By recognizing the **Leading Women Entrepreneurs and Business Owners** in this special issue, we add fuel to the economic engine of our state by empowering women. Congratulations to all!

Caryl was named one of “2011’s Leading Women Entrepreneurs and Business Owners” by Own It Ventures and New Jersey Monthly Magazine.

All the women on the list specifically excelled in four categories: Innovation, Market Potential, Community Involvement and Advocacy for Women. Those chosen are leaders among the women in business in our state. Intelligent, creative, ambitious and socially conscious, they are part of the wave of entrepreneurs rising in NJ and across the country.
